A RESOLUTION OF THE LODI CITY COUNCIL
IN OPPOSITION TO PRESIDENT CLINTON'S PROPOSED ENERGY TAX

=====

WHEREAS, the City of Lodi, as owner and operator of a municipal electric utility, is committed to provide electric power to its citizens at a reasonable price; and

WHEREAS, it has been estimated that the proposed energy tax could add to the bills of Lodi ratepayers up to \$1 million per year; and

WHEREAS, there are presently no guarantees that the money raised by this tax would actually be used for deficit reduction, but rather could be channelled into additional spending programs;

NOW, THEREFORE, BE IT RESOLVED, by the Lodi City Council that the City of Lodi strongly opposes the Clinton Administration's energy tax.
